

Report following the presentation at the Temple Terrace City Council meeting.

I am very pleased to say that our proposal to erect an Angel of Hope Memorial Garden in Temple Terrace in their new (not yet constructed) River Side Park was unanimously approved last night at the City Council meeting. I want to thank all those that came to the meeting last night to show their support – we had standing room only! We are so pleased to add Temple Terrace to the elite list of the 72 other city locations across the nation that have an Angel of Hope memorial!

This centrally located memorial will be for all of Hillsborough County and surrounding communities including Clearwater/Largo, to South Shore/Bradenton to Plant City and Lakeland!

The location is on River Hills Drive and 56th street closest to the beautiful Hillsborough River but also safely and cautiously placed away from it. Our plan is that our Angel will be lighted and will be seen from the 56th bridge coming into Temple Terrace. Temple Terrace will soon be going through a beautiful downtown redevelopment and we will be part of that wonderful focal point!

Now that we have confirmed a beautiful location, we can move forward with more publicity and construction plans. Next we will plan a ground breaking and I will let you know when that will be so you will be able to plan on attending and sharing in this most exciting moment!

Don't forget that we already have memorial bricks available to order and to be placed in loving memory of your loved ones on the surrounding patio around the Angel. I have attached a Brick Order form for your convenience.

Thank you for your continued support and interest!

Love, peace & happiness,
